### American Isis The Life And

Choices I found "American Isis" interesting though I became fed up with his multiple comparisons between Sylvia Plath and Marilyn Monroe. He did make a good point that they both loved fame and sought it yet it damaged them. The 1950's were a time of stereotypes and both of them tried to conform and still express their unique vision.

The Marilyn Monroe parallels throughout American Isis do feel sometimes painfully wedged into Plath's story. But this is written by a biographer of Monroe (he wrote Marilyn Monroe: A Life of the Actress, and is working on another about the Hollywood legend). Rollyson, after all, is the perfect person to know enough about Monroe to compare.

The life and work of Sylvia Plath has taken on the proportions of myth. Educated at Smith, she had an epically conflict-filled relationship with her mother, Aurelia. She then married the poet Ted Hughes and plunged into the storm and drang of married life in the full glare of the world of English and American letters.
