LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier’s Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Coins Of England The United

Coins of the United States dollar (aside from those of the earlier Continental currency) were first minted in 1792.New coins have been produced annually and they make up a valuable aspect of the United States currency system.Today, circulating coins exist in denominations of 1¢ (i.e. 1 cent or \$0.01), 5¢, 10¢, 25¢, 50¢, and \$1.00. Also minted are bullion (including gold, silver and ...
