Coleman Watches Manual

One-button LED watches are super useful and simple to use. Press the button once to display the time, and then press and hold the button for 3 seconds to select the right hour and minutes. You can even set the date by doing the same thing. Once your watch has the correct time and date, avoid touching the button to save the settings.

How to Set the Time on One-Buttoned LED Watches: 13 Steps

The Coleman 400W Wind Turbine is designed for land and marine location battery charging.
