Tunnels is a subterranean fiction novel by British authors Roderick Gordon and Brian Williams. It was initially self-published as *The Highfield Mole* in 2005, and re-released as *Tunnels* by Chicken House in 2007. The story follows Will Burrows, a 14-year-old 'archaeologist', who stumbles upon an underground civilization called The Colony.

This is the second of the Tunnels series. The books are well written, descriptive, creative, and original. In Tunnels, Will and Chester find an underground society while searching for Will's father. This book picks up right where the first ends, with a trip into the Deeps, and deeper and deeper from there.
