Double-Edged Diplomacy: International Bargaining and ...

An eminent group of political scientists demonstrates how international bargaining that reflects domestic political agendas can be undone when it ignores the influence of domestic constituencies.The eleven studies in "Double-Edged Diplomacy" provide a major step in furthering a more complete understanding of how politics "between" nations affects politics "within" nations and vice versa.

Double-edged Diplomacy: International Bargaining and ...

Thus the question facing international relations theorists today is not whether to combine domestic and international explanations into a theory of "double-edged" diplomacy, but how best to do so. Before turning to the two-level-games approach, the next section analyzes progress that has been made so far in efforts to combine domestic and international theories.
