## **Facing Leviathan Leadership Influence And**

Facing Leviathan isn't that kind of leadership book. It is a literary feast that challenges, pulls, and drives us away from the heroic types of leadership. At the same time Sayers drives us away from the deconstructionistic models of leadership that want everything to exist in a vacuum of the organic.

If you're like me and thought that leadership was reserved for the elite, that you had to be a CEO to be an influencer, there's good news: You don't. And this book will show you how. Jeff Goins, author of *The In-Between*. The cultural and personal storms of our day are indeed raging, and few books will help us navigate them like *Facing Leviathan*. With prophetic insight and personal transparency, Mark Sayers steers leadership the way it should always go in a storm: the way of Christ Himself.
