indicate: [verb] to point out or point to. to be a sign, symptom, or index of, to demonstrate or suggest the necessity or advisability of.

Indicate Definition & Meaning - Merriam-Webster

Mise en abyme occurs in a text when there is a reduplication of images or concepts referring to the textual whole. Mise en abyme is a play of signifiers within a text, of sub-texts mirroring each other. This mirroring can attain a level where meaning may become unstable and, in this respect, may be seen as part of the process of deconstruction. The film-within-a-film, where a film contains a ...

A cardiac pacemaker (or artificial pacemaker, so as not to be confused with the natural pacemaker of the heart) is a medical device that generates electrical impulses delivered by electrodes to cause the heart muscle chambers (the upper, or atria and/or the lower, or ventricles) to contract and therefore pump blood. By doing so, this device replaces and/or regulates the function of the ...

An omnivore is an organism that regularly consumes a variety of material, including plants, animals, algae, and fungi. They range in size from tiny insects like ants to large creatures—like people. Human beings are omnivores. People eat plants, such as vegetables and fruits. We eat animals, cooked as meat or used for products like milk or eggs. We eat fungi such as mushrooms.
