Hong Kong Returned to China - HISTORY

The transfer of sovereignty over Hong Kong, commonly known as the handover of Hong Kong (or simply the Handover, also the Return in mainland China), occurred at midnight at the start of 1 July 1997, when the United Kingdom ended administration for the colony of Hong Kong and returned control of the territory to China. Hong Kong became a special administrative region and continues to maintain ...

Handover of Hong Kong - Wikipedia

The return of Hong Kong as a territory to China is highly significant in drawing to a close what many Chinese see as the domination and disregard for the country's sovereignty at the hands of foreign powers. In essence, a reversal of what was known as the "century of humiliation."

Why Hong Kong's return to China matters - CGTN

Hong Kong residents in Guangdong and Macau could begin applying to return without needing to quarantine on Wednesday, as the city recorded nine new Covid-19 cases. Three of the new cases were locally transmitted, one of which involved a 76-year-old taxi driver with an untraced source of infection, taking this month's cabby cluster to five. Last working on Monday, the cabby from Yue Tin Court ...

At the end of World War II, Britain still controlled Hong Kong, although the Americans continued to pressure it to return the island to China. By 1949, the People's Liberation Army led by Mao Zedong (1893-1976) had taken over China, and the West was now afraid that Communists would get their hands on a suddenly invaluable post for espionage, especially during the Korean War.
