For Leah's information, I started my period at New Moon for years- used to look in the paper to see when it was due. Ovulation at Full Moon helps to explain why maternity wards ( and police stations) are so busy then. So pleased that Virginia had found herself a bubble- I've just taken the plunge and joined the vicar's family in theirs. Big relief.

Hunter's moon is mentioned in several sources as the Anglo-Saxon name for the Full Moon of October. This is the month when the game is fattened, and it is time to start preparing for the coming winter. Traditionally, this included hunting, slaughtering and preserving meats for use in the coming winter months.
