Joe Ross Trading Manual

Joe Ross, trader, author, and educator, has been an active trader since 1957, when he began his trading career in the commodity futures markets. In 1982, when it became possible to day trade the S&P 500 stock index futures via a live data feed, he successfully made the transition from full-time position trader to full-time day trader.

Quote from marxthr: Has anyone out there learned Joe Ross's trading methods and traded with them successfully? I keep testing out his methods, mainly Ross Hooks and ledges, and the various filters he discusses in the books (although he does not necessarily recommend them), and the patterns still seem difficult to apply in a profitable trading scheme and can at times have high failure rates.
