Manual Non International Armed Conflict

Under Article 3 common to the Geneva Conventions of 12 August 1949, non-international armed conflicts are armed conflicts in which one or more non-State armed groups are involved. Depending on the situation, hostilities may occur between governmental armed forces and non-State armed groups or between such groups only. As the four Geneva Conventions have universally been ratified now, the ...

International humanitarian law (IHL), also referred to as the laws of armed conflict, is the law that regulates the conduct of war (jus in bello). It is a branch of international law that seeks to limit the effects of armed conflict by protecting persons who are not participating in hostilities and by restricting and regulating the means and methods of warfare available to combatants.
