A320 Family - Passenger aircraft - Airbus

The A320 was the model aircraft for Airbus that pushed the company to become a household name. With more than 400 orders before the aircraft even took flight (especially compared to the earlier A300 that only had 15 orders), the A320 series would quickly become a staple product for the company. However, only one year after the A320 family launched, Airbus announced a further derivative of ...
