Mitsubishi i-MIEV - Wikipedia

The Toyota Corolla made its debut in 1966, with the intent to supply the people of the world with inexpensive, reliable transportation. It's safe to say that it met its goal and was named the best-selling car in the world in 1974. The Toyota Corolla has stayed close to the top of that list ever since, surpassing the Volkswagen Beetle in 1997 to become the best-selling model in history.
