Konica 7155 Manual

On my moto mojo taz 150, the belt shredded last week while I was riding, I took off the case and cleaned it all out, but I can't seem to find the belt to fit it. It's the qj157qmj motor. i'm finding 815-20-30 and 891-17-30 belts. The belt is completely shredded so no hope in getting any numbers off of it.
