When you inherit Philippine property through a will, you will need to go through to court in a process called “probate”. Probate is a court process that authenticates the will. Probate then allows the properties to be distributed. People have often asked me if there is a way to avoid probate. This is not possible since any kind of will – be it a foreign will, a holographic will or notarial ...

Real estate appraisal, property valuation or land valuation is the process of developing an opinion of value for real property (usually market value). Real estate transactions often require appraisals because they occur infrequently and every property is unique (especially their condition, a key factor in valuation), unlike corporate stocks, which are traded daily and are identical (thus a ...
