rough draft.

Stages of the Writing Process // Purdue Writing Lab

A research paper is a common form of academic writing. Research papers require students and academics to locate information about a topic (that is, to conduct research), take a stand on that topic, and provide support (or evidence) for that position in an organized report.

What Is a Research Paper? - ThoughtCo

An added component in the writing process of research projects is, obviously, research. Rarely does research begin before at least some initial writing (even if it is nothing more than brainstorming or pre-writing exercises), and research is usually not completed until after the entire writing project is completed.
