In response to your statement that "other addons conflicting with Titan Panel", it is likely the set of addons being run with Titan. WoW controls the order addons are loaded, so lib conflicts can present as odd errors depending on which one "wins" (addons and libs loaded to run). Using libraries is a blessing when all are the same...

Titan Panel Classic - Addons - World of Warcraft - CurseForge

This is the call of the Paladin: to protect the weak, to bring justice to the unjust, and to vanquish evil from the darkest corners of the world. These holy warriors are equipped with plate armor so they can confront the toughest of foes, and the blessing of the Light allows them to heal wounds and, in some cases, even restore life to the dead.
