The most obvious symbols in The Secret Life of Bees are the bees themselves. Kidd makes it clear from the start that she's drawing an analogy between the behavior of bees and the behavior of human beings: every chapter begins with an epigraph from a book about bees, and we gradually realize that each one has some thematic significance for the events of that chapter.

### **Bees Symbol in The Secret Life of Bees | LitCharts**

Coming-of-Age. Although the history of a de-segregating South churns in the background (with occasional intrusions on Lily's world), The Secret Life of Bees is primarily the story of Lily's coming-of-age. She begins the novel feeling lost and lonely, getting little to no parental guidance or involvement in her life beyond her father's fits of anger.
