It is an online forum where anyone can upload a digital presentation on any subject. Millions of people utilize SlideShare for research, sharing ideas, and learning about new technologies. SlideShare supports documents and PDF files, and all these are available for free download (after free registration).

Selfish Pigs

Selfish pigs is the last one we have and I feel a little like I saved the best till last. The Bunny Suicides work so well because they are outrageous and funny. Selfish Pigs is much the same, without the morbid overtone. It's a simple context but it works so well. Some are particularly realistic and others are shocking.

This is the most blatantly obvious and glaring observation about American women. They struggle mightily with their health and appearance. Take a stroll around Anywhere, USA, and you will find that Jabba the Slut, land whales and pigs in wigs are the norm, endangering men's libidos and digestive systems, and wreaking havoc on furniture and the healthcare system.
