Cooked on hi for 3.5 hrs and the rice was cooked and we had a delicious dinner for two. My only complaint is that the texture is a little pasty, but slow cooking rice makes that almost unavoidable. Oh. And do NOT forget to spray/Pam the cooker first as some of the food makes yummy crusts on the walls of the slow cooker insert.

Leeks grow in the soil, as do other onions. But unlike the yellow onion orbs, soil gets trapped between the leek layers. Simply trim away the root end and the dark green stalks. Slice the leek lengthwise and rinse under running water to dislodge any soil or grit. Then slice crosswise into half-moons before adding to the slow cooker.

Step one - add the lemon juice to the milk and let stand for 10 minutes.. Step two - while waiting, cut out greaseproof paper in the shape of the bottom of your slow cooker pot. Butter the pot well, and place the grease proof paper at the bottom. We have a piece of reusable silicone paper cut to size. Buttering the pot well is very important to make sure the cornbread will turn out easily.
