## **The Way Inn Will Wiles**

Unfortunately, The Way Inn is neither as innovative nor as post-modern as Inception. Instead, what Will Wiles gives us is modern-age existential ennui rehashed into a million metaphors using conferences and chain hotels. The hook of the novel--that the hotel harbors some space-time enhancing properties appe

Which is why the first half of The Way Inn resonated with me, especially Wiles description of the conference scene as an abattoir and the attendees sheep heading for the slaughter. Ahead of us, and already around us, were the exhibitors, in their hundreds, waiting for all those eyes and credentials and job titles to sluice past them.

## **The Way Inn by Will Wiles, Plus Interview With The Author ...**

With The Way Inn, Wiles's fiction gives us a key card that unlocks a vision of the very real world that we are already immersed in. It's a vision that describes the full banal horror of 21st-century human habitat, the alienation we feel, dwarfed by the full force of the service economy even as it offers us a complimentary coffee.

## **Inn by Will Wiles**

Will Wiles' *The Way Inn* is a novel about professional conference-goer Neil Double - a man whose line of work is attending conferences on behalf of other people. Neil always stays at *The Way Inn* chain of hotels; he takes pleasure in his anonymised, atomised lifestyle, having turned his professional life into a toxic personal philosophy.
