You must "show up" if you're going to get real value out of your class. Treat your online classes the same way you would a face-to-face class—or, better yet, a job—and you'll be off to the right start. 2. Hold yourself accountable. Set goals at the beginning of the semester, and check in with yourself weekly.

### Tips for Taking Online Classes: 8 Strategies for Success

If success comes from having a strong social life and a good group of friends, their job may suffer; meaning that they may lose their job, and then be unable to afford going out with friends. In these ways, success, as Phil Knight says above, is helped by balance. Think of it as a balance between rest and work, or work and play.
